Some like it hot
And some like it cold
Some like it hot
And some like it cold

Some like it hot
And some like it cold
Some like it hot
And some like it cold

Yes, this old world is changing
Yeah, only the earth is remaining
As it was in the beginning, yeah

Maybe I'm wrong or maybe I'm right
But if we all should unite
We all would see the light, ooh yes
But then, yeah

Some a like it hot tilly bop
Some like it cold
Some a like it hot tilly bop
Some like it cold

Some a like it hot tilly bop
Some like it cold
Some a like it hot tilly bop
Some like it cold

Living in this world
You can't be a breaker, yeah
Try to pave the way for the children
You've gotta be helpful, yeah

And in later days to come
You'll be repaid
By the Almighty One
Oh Father, yeah

Some like it hot
And some like it cold
Some a like it hot tilly bop

Some like it cold

Some like it hot
And some like it cold
Some like it hot tilly bop
And some like it cold, yeah

Some like it hot, yeah
