Wish on a rainbows is all I can do
Dream of the good times that we never knew
No late nights in the warmth of your arms
I'll dream on
Living in wonder, thinking of you
Still looking for ways to uncover the truth
You're so young is all they can say
They don't know.
If I could change the way of the world
I'd be your girl
Too many walls have been built inbetween us
Too many dreams have been shattered around us
If I seem to give up they'll still never win
Deep in my heart I know the strength is within
Watching the others chances drift by
They'll never discover these feelings I hide
Deep inside I'm falling apart
All alone with a broken heart
Thinking in silence is all they allow
These words still unspoken may never be found
All these dreams one day will be mine
They cross my mind
My time has yet to come
Until then
Too many walls have been built inbetween us
Too many dreams have been shattered around us
If I seem to give up they'll still never win
Deep in my heart I know the strength is within
Chorus to fade.....
