Wish on a rainbows is all I can do

Dream of the good times that we never knew

No late nights in the warmth of your arms

I'll dream on

Living in wonder, thinking of you

Still looking for ways to uncover the truth

You're so young is all they can say

They don't know.

If I could change the way of the world

I'd be your girl

Too many walls have been built inbetween us

Too many dreams have been shattered around us

If I seem to give up they'll still never win

Deep in my heart I know the strength is within

Watching the others chances drift by

They'll never discover these feelings I hide

Deep inside I'm falling apart

All alone with a broken heart

Thinking in silence is all they allow

These words still unspoken may never be found

All these dreams one day will be mine

They cross my mind

My time has yet to come

Until then

Too many walls have been built inbetween us

Too many dreams have been shattered around us

If I seem to give up they'll still never win

Deep in my heart I know the strength is within

Chorus to fade.....
