Wherever I go

You know I stay fly float threw the sky smoke with my

On the corner where cotchies died now lets go to n.y.
and love it
But out on the west I don't step out of my vest unless
doggs I'm about to have sex
Wherever I go
You know my wrist stay naughty
No bitch can afford me
I'm about girl I did it with wardy
And the places I go we making the dough
It's whips when we land there bitch we don't visit we got
land there
So where frequent flyers we cheat on flyers so please
be quite
Yeah Dip Set you already know

[Chorus]

[Juelz Santana]
I'm so built for doing this here
Yeah I'm high I'm twisted on tilt still doing this here
Keep a thick chick with me
Taggin along fat ass and thong attached to my arm
I might grab it I might smack it tell her to tag it along
mack and then we gone
You already know

[Jim Jones]
Wherever I go
You see the cop over behind him fronting rocking them
diamonds
Glocking my lining till I spot me a diamond
Cause a bitch into fucking
Talked her lips into sucking coughing up shit when I'm
puffing
Man I'm talking like shit ain't nothing popping cooks of
chris and I'm stunting
I plays the bar for the night
But shit I got to start me fight
I said excuse me doggs pardon these Nikes (and Ones

[Chorus]
