Welcome to the Grand Illusion
Come on in and see whats happening
Pay the Price get your tickets for the show,
The stage is set the band starts playing
suddenly your heart is pounding, wishing secretly
you were a star.

But don't be fooled by the Radio, the TV or the
magazines,
They show you photographs on how your life should be,
but
there just someone else's fantasies, So if you think
your life is complete
confusion, 'cause you never when the game, just
remerber that its a grand illusion
and deep inside we're all the same, we're all the same

(instrumentals from the orchestra and rock band)

So if you think your life is complete confusion,
'cause you're neighbor's got made
just remember that its a grand illusion
and deep inside we're all the same

America spells competition, Join us in our blind
ambition
get yourself a brand new motor car

But some day soon, we'll stop to ponder what on
earth's this spell
we're under, we made the grade and still we wonder
who the hell we are
