Lady,  
when you're with me  
I'm Smiling  
Give me all your love  
Your hands build me up when I'm sinking  
Just touch me and my trouble's all fade

Lady,  
from the moment I saw you  
Standing all alone  
you gave all the love that I needed  
so shy  
like a child who had grown

You're my lady  
of the morning  
sparkling, clear and lovely  
you're my lady

Lady  
turns me on when I'm lonely  
She shows me all her charms  
Evenings when she lays down beside me  
she takes me gently into her arms  
Shes my

Lady, of the morning  
Love shines  
in your eyes  
sparkling, clear and lovely  
your my lady

Lady, of the morning  
Love shines in your eyes  
Sparkling, clear and lovely  
you're my lady  
(bolero)

Lady, of the morning  
Love shines in your eyes  
sparkling, clear and lovely

you're my lady
