Now I'm feelin' good and fine
Smokin' green and drinkin' wine
Ten thousand dollars at the bar
(All on baby)
I guess this makes me a super-duper star
Drinkin' ripple and tanquerae
A brand new drink, I call it ripple-rae

My life is beautiful
(Livin' that good life)
It's just beautiful
(Livin' that good life)

My life is beautiful
(Livin' that good life)
It's just beautiful
(Livin' that good life)

Baby take me to the motel
When we finished you can go tell
Teresa, Lisa, and Dawn
How we got butt-naked and go it on
How I split ya, hit ya and bring ya home
Stole ya chains and rings and here an' bone

My life is beautiful
(Livin' that good life)
It's just beautiful
(Livin' that good life)

Don't hate me baby 'cause I'm beautiful
These fancy cars ain't new to y'all
Don't hate me baby cause I'm beautiful
These fancy cars ain't new to y'all

How you love that 1998 that's Big Tymer style
There's a lot of these niggas baller blockin'
Standin' in the way 'cause I'm gon' shine
All the time how you love that
(Yeah)

On the bass, Funky Fingaz, can I get a wodie

On the keys, just wodie
(Wooday)
Just wodie, Big wodie
(Wooday, wooday)
Take it to the bridge, take it to the bridge

Just roller skate, roller skate
Don't player hate, player hate
Just roller skate, roller skate
Don't player hate, player hate

My life is beautiful
(Livin' that good life)
It's just beautiful
(Livin' that good life)

This here is platinum material, just light, light-weight
interlude
How you luv that it's gorgeous out chea
I'm a neighborhood superstar, I'd rather be young rich
and local
Than nation-wide and broke, bro

All the time, all the time
(All the time)
Y'all can say what you want about me
I got this man, drinks is on me
Everybody order somethin', drinks on me

Everything on me, I love myself
(Moet, Moet)
I love myself, I love myself
Shouts out to the whole city
The broads alright, but the niggas pretty
