Roll, roll, roll

You can catch me in the club with a gangsta girl
When I ride, I'm gonna ride with a gangsta girl
When I smoke, I'm gonna smoke with a gangsta girl
When I freak, I'm gonna freak me a gangsta

I'm lookin' for them gangsta girls, not them fake ass
wanksta girls
Just them ghetto fabulous girls, gotta keep 'em in my
world
Mama makin' gangsta moves, rollin' with this gangsta
dudes
Sittin' on spinnin' 24's, openin' up Bentley doors

Drunk at the party, hands up in the air
But still she sexy when she shake her body
That type of chick that says, "Hey girl, let's go to the
after party"
After that we go to my room for the after, after party
Y'all know what happens next

Hypnotiq an' a rated X, got her singin' the greatest sex
Now, on dubs, rollin' up, into the club, raisin' 'em up
Now, we in the back, blazin' 'em up, dice in hand,
shakin' 'em up
I need a chick like that to come an' share my gangsta
world
An' if you in the club with hands up, you can gangsta
girl

You can catch me in the club with a gangsta girl
When I ride, I'm gonna ride with a gangsta girl
When I smoke, I'm gonna smoke with a gangsta girl
When I freak, I'm gonna freak me a gangsta

Okay, mami, your so gangsta 'cause she fuck with
nothin' but gangsta
Type a nigga that a stank a gangsta
Drink Hypnotiq an' she roll big body
An' she got a body, that is gangsta hottie

An' she fuck with nothin' but gangstas that is ol', ol' G
24's on that brand new G
At a gangsta party, she'll be drinkin' Bacardi
An' she pops her body, don't you hurt nobody

Got my killers in here, they'll squirt somebody
But that Benz so fast, it'll jerk your body
An' we smokin' that Cali dro, totin' that Calico
Birdman an' Kelly' mami, let your body roll

No one will never know what happen behind the door
I like it fast or slow, a freaky bitch, fo' sho'
Street life is all I know, hustlin' an' stackin' dough
I follow, keep it gangsta until my cats get closed

You can catch me in the club with a gangsta girl
When I ride, I'm gonna ride with a gangsta girl
When I smoke, I'm gonna smoke with a gangsta girl
When I freak, I'm gonna freak me a gangsta

Once upon a time in this place called Hood
Where the gangsta girls shake it an' they all smell
good
Lived this legendary pimp by the name of Fresh
Fix hair, fix nails, fix toes, fix breast

But one chick super sick, make every nigga grab his
dick
Heart pound up an' down, when she goin' 'round an'
'round
Do the snake, stop an' shake, ass like an earthquake
I can't wait to meet her, uh, undress her, beat her up

Now, we leavin' from the club an' she let me cop a rub
Can't believe she choose me, feelin' on her booty
I'm about to cut like knives, strokin' mami with some ice
Takin' me to paradise, I nut once, she nut twice

Sex in cities, rubbin' titties, that's how I get it
One more 'gain, with her friend, playa, that's how I hit it
Now we grippin', grabbin', pullin', stabbin', what is your
name?
It's Hypnotiq how I got it, but I'ma glad that you came

You can catch me in the club with a gangsta girl
When I ride, I'm gonna ride with a gangsta girl
When I smoke, I'm gonna smoke with a gangsta girl
When I freak, I'm gonna freak me a gangsta

Slim Teresa an' Lakeisha, they some gangsta girls
Tonya, Wanda an' Laneisha, they some gangsta girls

'Bout fifty Kims all in Tims, gangsta girls
A hundred shorties, all at parties , gangsta girls

Full of drama, baby mama, she's a gangsta girl
When they freakin' on the weekend, they some
gangsta girls
But they knowin' where they goin', the gangsta girls
Fly wheels, pay they bills, the gangsta girls

You can catch me in the club with a gangsta girl
When I ride, I'm gonna ride with a gangsta girl
When I smoke, I'm gonna smoke with a gangsta girl
When I freak, I'm gonna freak me a gangsta
