uh uh when my niggaz are out they just shouted out it's
not on my hands it's off my hands
bitches want to front but I'm just smoking a blunt
all I got tell you don't fuck with me roca-fella is my
family
so for real just sell weed to get the pussy
these girls just want to suck cock
thats why I fuck them like the Rock
some girls saying i just want the money
because it's not on my hands it's off my hands
you know your breath smells like thunder
i don't want your phone number my niggaz peace
