[Juvenile]

Now I ain't the one to brag (nope)

But I bought myself a hummer, my brother a Jag (for sho)

I'm taking all the ho's and I'm making you mad (yep)

You violate my household, I'm busting your ass

Is you listening, do you see my ice when it's glistening

Cause if you wit that balla blocking niggas come up missing then

[Lil' Wayne]

I need a bin life, to get right, up in my new Prowler

And put her lips tight on this pipe and suck out the problem

Need a Rolex wit princess cuts all at the bottom

Need a kit wit twenty inches on the car that I'm driving

Went from dimes to quakes, to money like Bill Gates

Doing a hundred on interstates, and Hummers on 38's

We are C.M.B. my nigga

Fresh, Baby, Hotboys and Weezy Wee my nigga

Chorus: [B.G.]

Where ever it's popping, we stopping

But if it ain't hot then, we not then

Where ever it's twerking, we working

She got to be slurping, for certain

[Turk]

A bitch that's about ridin, who going on flight
