

Big Tymers "Project Chick"

Visit "[Project Chick](#)" on MotoLyrics.com

This is for Deshawn, Eshlawn, Lil Mama and her friends
Lisa, Teresa, Maria, Tia, Lia and Kim
I love y'all, broads, no disrespect to my dogs
But I love y'all, broads, yea, I love y'all, broads

To the ladies havin' babies without no drama
To my niggas with figgas, say I love my baby momma
I bought them shoes, them tattoos and even fixed yo
breasts
I put you inside the flyest rides and even put a 'S' on yo'
chest

This is for the ones who wobbled it and be puttin' they
mouth on it
An they suck everything out of it then they catch it and
swallow it
I'm Lil Weezy for sheezy, I'm off the heezy, believe me
See me, I squeeze in between it and then I leave it so
greasy

When I come through in a Rolls Royce, leave them with
no choice
But to hop up in it and just let me make they throat
moist
Ruby red and vodka, it just carry a nigga
Give me three minutes, maybe four, she be wantin' to
marry a nigga

Give me a project bitch
Give me a hood rat chick
One that don't give a fuck
And say, she took that dick

Give me a project bitch
Give me a hood rat chick
One that don't give a fuck
And say, she took that dick

My momma send me by my grandma, my grandma
flipped out
And said, "We ain't gone have no evil in this house"
So I rolled out, scoped me an ounce sold out

But I fucked up when I started livin' up in this hoes
house

Nigga started fuckin' one of the broads
'Cause she was suckin' a nigga dick so good keepin' it
hard
Lettin' a nigga cum all over her chest and tongue
She was still-un, I spared her because her children

She was a hoe, she gave me head behind a building
Ain't sellin' records but her mouth could sell a million
If you wanna take it there, we can break it off
'Cause y'all pussy ain't gotta nigga tweakin' at all

I slang this dick, summer, winter, spring and the fall
Ask me to lay it down, I'm bringin' it all
I'm tryin' to hit ya from the back til ya holla, "Good Lord
This motherfuckin' dick good and it always be hard"

Give me a project bitch
Give me a hood rat chick
One that don't give a fuck
And say, she took that dick

Give me a project bitch
Give me a hood rat chick
One that don't give a fuck
And say, she took that dick

Look, a nigga could catch me r'd up
Them white folks know the code so we g'd up
And my Range Rover 4 door be d'd up
Tattoos and new cars and these project cuts

Got this nigga, bitch, I know been wantin' to fuck
I deal with sluts ladies and bitches don't give a fuck
Project bosses Weezy say, "Respect us"
Bitch, nigga find me in the 4 door Lexus

I got a bitch, shoot dice and a bitch that ain't right
I got a bitch who will front ya work and take ya life
I got a credit card hoe, a scam type hoe, a fraud type
hoe

Like to snort that dope, a dick suckin' pro
A Calico hoe, a real solid bitch out Chicago
I got a Brat type bitch like to whine an shit
I got a project bitch like to start some shit

Give me a project bitch
Give me a hood rat chick

One that don't give a fuck
And say, she took that dick

Give me a project bitch
Give me a hood rat chick
One that don't give a fuck
And say, she took that dick

Give me a project bitch
Give me a hood rat chick
One that don't give a fuck
And say, she took that dick
