[(Chorus) Lac + Mannie Fresh]

[Lac:] If your riding on 16's than put that bitch up  
[Mannie:] Oh 20 dub deuces is how we do that there yo

[Mannie:] 1-800-Iceman - ice yourself up  
[Lac:] Cutlass to the Benz, Monte Carlo, and Prowler  
[Mannie:] DVD to the TV that mean you can HOLLA!

[Baby]

Check out the Benz (??)  
Bought a green diamond - 30 carrots for stuntin'  
I'm the boss of your ghetto, black crow of this game  
Slide me 200 G's and I'll do anything  
I'm gonna live it up and all  
Mom how your son is known to ball  
I put 22's on everything I car  
The Jag, the Bentley, Rolls-Royce, the house hold  
Hung out with Bobby - Ate breakfast with Whitney  
Made it official New York is my city nigga  
Got a trophy from the game ya'll know my name  
Baby - Number one stunna, caught showing my thang  
Got a house on the lake I built from cake  
Cooking pies and hustling for (?) flakes  
I put dub deuces on the Avalanche truck  
I break bruises I don't give a fuck

[(Chorus) Lac + Mannie Fresh]

[Lac:] If your riding on 16's than put that bitch up

[Mannie:] 20 dub deuces is how we do that there yo  
[Lac:] If you ride with an ugly chick than put that bitch

[Stone]  
Say there's some 22's that cost a half-a-mill  
When me and Baby be coming through like ya'll  
rappers for real?  
Now I be slinging blocks, totting two twin glocks  
Pushing a 600 Benz, rims spin when I stop  
Jock, it's alright you see the watch ya'll like  
I just got the (?) with the frog lights  
Than it's alright kit it with a chrome small pipe  
With killer Stone on the left and Hot Boys on right

[Lac]  
Nigga I be riding in some Z71 type shit  
Limo tinted cause I'm creeping with a fine bright bitch  
Aston Martin got a new thing that I just might get  
And if Puffy give a party he invite my clique  
We gone pop that shit, say wodie where the bottles at?  
Hello, this is a stunting bitch holla back  
Princess and baguettes to out shine you cock suckers  
Riding on some Ferris wheel's - Bigger than a mother  
fucker!

[(Chorus) Lac + Mannie Fresh]  
[Lac:] If your riding on 16's than put that bitch up  
[Mannie:] 20 dub deuces is how we do that there yo

[Mannie Fresh]  
Rims - 22, chick - 22, take about 22  
Playboy, now who the fuck are you?  
I'm mister two-door coupes  
Is that the cracker-gator boots?

With the two piece Gucci suits  
2-way hanging off the loops  
Gazigga-zan, gazigga-zigga-zigga-zan  
Give me the watch, the bracelet and the chain  
Fuck your Bentley - too slow ya heard?  
Lamborghini in first "clock, clock unnn unnn  
skkkkiirrrrr!"

[Mickey]

You know Mickey play the Air Ones - loosely laced  
So I might lose a shoe when the groupies chase  
The group be straight - the truth be I prefer the range  
The sex be great but I prefer the brains  
We got Dollars by the millions  
Shoppers by the buildings  
Chances of falling off - slim like Robin Williams  
You can find me changing lanes in the Aston  
Leaning back with your dame laughing (haha)

[(Chorus) Lac + Mannie Fresh]

[Lac:] If your riding on 16's than put that bitch up

[Mannie:] 20 dub deuces is how we do that there yo

[Lac:] If you ride with an ugly chick than put that bitch
