Wha, wha, wha

You a one man, bitch
Go ahead and make that switch
I got to love my shit
You hoes man got that itch
Move up too, number two bitch
Suck a rich niggas dick
If you like it than lick it
If you love it don't quit

Yo, I bet it tastes better
Let me splash on your sweater
You need a nigga that let a
Shed 'um out with the bezele
I'm talkin' the Sean Jean
Yo, Teresa and Shirley
Say, all ya'll hoes come down
To the big dick party

Say, Lisa Slim
Little pretty ass Kim
I'm hollerin' at you, you, you
That bitch and them
I've been takin' ginseng
Swing a big ding-a-ling
I've gotta medallion for my dick
'Cause my dick bling bling

I heard you suck a beach ball
Through a hose pipe
I heard you also eat nuts
Till the early light
I heard you like to be tossed
Flossed threw down and kicked
Well you fuckin' with the right nigga
Old couchie-ass bitch

I know you wish you could find a
Nigga with a dick like an Anaconda
I know you wish you could know a
Nigga with a dick like a big Cobra

I know you wish you could go home
To a nigga with a dick like a Python
I know you wish you could get a date
With a nigga with a dick like a Rattlesnake

I know you wish you could find a
Nigga with a dick like an Anaconda
I know you wish you could know a
Nigga with a dick like a big Cobra
I know you wish you could go home
To a nigga with a dick like a Python
I know you wish you could get a date
With a nigga with a dick like a Rattlesnake

I got this bitch in the back of my ride
I ask this hoe when she want my surprise
A big dick like a cucumber in the eye
You know that hoe still took that prize
I asked her, had she been fucked inside of a Hummer?
She say no but I suck dick like a plumber
Draino swallowin' everything I can fool
I like rockin' ice and playin' with these hoes

But sometimes these hoes will make punch 'um in they
nose
Squirt 'um on they shirt 'cause she wouldn't swallow
what I
Burst Curst the bitch out her teeth were in the way
Stupid bitch that bullshit hurts
I've been treatin' these hoes this way since the first
Slap on they ass, hit 'um from the back where it hurts
Putting in work I done, done my dirt
I'm a dogg ass nigga, never put these hoes first

I know you wish you could find a
Nigga with a dick like an Anaconda
I know you wish you could know a
Nigga with a dick like a big Cobra
I know you wish you could go home
To a nigga with a dick like a Python
I know you wish you could get a date
With a nigga with a dick like a Rattlesnake

I know you wish you could find a
Nigga with a dick like an Anaconda
I know you wish you could know a
Nigga with a dick like a big Cobra
I know you wish you could go home
To a nigga with a dick like a Python
I know you wish you could get a date
With a nigga with a dick like a Rattlesnake

See I like these hoes
Like these hoes then I leave them
Then let some old bitch made ass nigga
Retrieve 'um
I could turn a dike bitch back straight
Then worry these hoes
Till they lose hair, money, and weight
Say there Daddy

I'm comin' to a neighborhood
Look near you
Y'all niggas lock up ya'll bitches
Bras and boobs
Youngsters gonna suck my pickle
Till I'm old and wrinkled
I'm a go all till a a whole a
Ain't nothin' but a tinkle tinkle

Now some of these hoes like to be fucked in the ass
Some of these hoes won't let you touch they ass
Some of these hoes like to be fucked fast
Some of these hoes know they need to be treated bad
Some of these hoes need to be kicked in they ass
Some of these hoes been gettin' they old man stash
Some I play bad

Fuck other nigga hoes fast and if your bitch holler
I put that dick on they ass, 9 times out of 10
She suck a dick when I blast
All because these hoes know I gotta gold and black Jag

I know you wish you could find a
Nigga with a dick like an Anaconda
I know you wish you could know a
Nigga with a dick like a big Cobra
I know you wish you could go home
To a nigga with a dick like a Python
I know you wish you could get a date
With a nigga with a dick like a Rattlesnake
