Fuck them niggas 'cause they bitch made anyway  
Can't come in tha hood, I hope he got an A-K  
He crossed tha line, nigga dropped a dime  
Then he ran to those white folks, sayin' I tried

I Stunna one of a kind you muthafucka  
Catch me in tha summer in a rag top Hummer  
Nigga pack yo tools, nigga pay yo dues  
Been a G about this gangsta shit, it ain't no rules

Nigga cook yo food, hard ki's we move  
Then yo get up on tha stand and you cross yo dude  
Let them people play you nigga, now it's time to lose  
Got some killas in tha pen, wanna give you tha blues

An on tha outside, niggas do what they do  
We in tha projects, grindin' wit' that girl or tha poo  
Yo whole family ain't safe 'cause I'm killin' 'em too  
I put a hit on every nigga that's close to you

Little jive ass nigga, we can never be friends  
Oh bitch made nigga, we can never be friends  
You a pussy muthafucka, we can never be friends  
We can never be friends, we can never be friends

You fuckin' up a nigga work, we can never be friends  
You put a hoe before yo homies, we can never be  
friends  
You turnin' state on yo homies, we can never be friends  
Nigga, we could never be friends

I was raised around dope and crack fiends, stranglers  
and triple beams  
You can not imagine all tha shit that a nigga seen  
Now I done seen niggas get they head busted for  
nothin'  
They leave and come back stuntin' like they 'bout it and  
wasn't

Better watch them some nigga or stop them some  
nigga

This a nigga wit a black hooded and pops them a nigga  
The people came thru and they done kicked in my Ma's  
do'  
They tore up my Ma's house and questioned my folks

My momma stood up and said, "Ain't no Lac here  
Get yo dogs, get tha fuck out and don't come back  
here"  
I'm tired of runnin', I can't turn back, I hear tha sirens  
comin'  
Now they can give a lovely fuck why I done it

An all they need to prove is that I fired somethin'  
Or hit 9 lil' children  
My potna got killed and they say I was the gunman  
You fuckin' right I know him and fuckin' right I done him

Little jive ass nigga, we can never be friends  
Oh bitch made nigga, we can never be friends  
You a pussy muthafucka, we can never be freinds  
We can never be friends, we can never be friends

You fuckin' up a nigga work, we can never be friends  
You put a hoe before yo homies, we can never be  
friends  
You turnin' state on yo homies, we can never be friends  
Nigga, we could never be friends

I was tha first nigga out tha click wit a Cuban connect  
An tha first to push a six thru tha Nolia project  
I broke bread wit' all my niggas gave 'em tha prices I  
get  
Turn the projects to condominiums and diamonds to  
begets

Was tha first to go to feds, I left my two month old  
daughter  
Her momma said since I left my friends ain't passed a  
quater  
When I rolled out same niggas was in my face again  
Like, "Stone you out early, man we thought you got ten"

We kicked tha bo bo, swapped lies, given hugs and  
dap  
But you know hugs ain't love, niggas is checkin' for  
straps  
Each one of them owein' me a dub, ain't even mention  
tha snaps  
I knew then it was bad blood, I'm 'bout to twist some  
caps

Gun in hand, I'm eatin' grits, I haven't done this in  
awhile  
I see one in a blue sedan, sharin' kisses and smiles  
I creep up on him, popped tha van, ran thru tha crowd  
Hit tha corner of Washington then I popped up his  
house

Little jive ass nigga, we can never be friends  
Oh bitch made nigga, we can never be friends  
You a pussy muthafucka, we can never be friends  
We can never be friends, we can never be friends

You fuckin' up a nigga work, we can never be friends  
You put a hoe before yo homies, we can never be  
friends  
You turnin' state on yo homies, we can never be friends  
Nigga, we could never be friends

I keep a four pound cocked wit hollows in tha chamber  
Been a real lil' nigga since a B-G banger  
Plus I'm down wit' tha killas no matter red or blue  
An too bad, I can't say tha same shit 'bout you

'Cause you's a bitch nigga dawg and square as a preist  
An you's a snitch nigga dawg 'cause you told tha police  
I hold trial in tha streets and keep it gangsta fa sho'  
An tha only niggas run to tha law is a hoe

So you was all about tha rah rah shit back then  
But yo money ain't long and you know you can't win  
Your boy Mack a shot caller and if you hate me I feel  
you  
'Cause I got enough bread to pay yo homies to kill you

Yo I can kick back, fuck, and have fun all year  
An' you can snitch, watch your back, and you can still  
disappear  
An' while you P-C up, I stay mashin' for dollas  
So when you ready for tha get down, nigga just holla

Little jive ass nigga, we can never be friends  
Oh bitch made nigga, we can never be friends  
You a pussy muthafucka, we can never be friends  
We can never be friends, we can never be friends

You fuckin' up a nigga work, we can never be friends  
You put a hoe before yo homies, we can never be  
friends  
You turnin' state on yo homies, we can never be friends  
Nigga, we could never be friends

Little jive ass nigga, we can never be friends  
Oh bitch made nigga, we can never be friends  
You a pussy muthafucka, we can never be friends  
We can never be friends, we can never be friends

You fuckin' up a nigga work, we can never be friends  
You put a hoe before yo homies, we can never be  
friends  
You turnin' state on yo homies, we can never be friends  
Nigga, we could never be friends
