[TQ]

We can smoke

Uh-huh

Yeah, yeah

Smokin' smokin'

Smokin' smokin'

[TQ]

We can smoke (we can smoke)

We can drink (we can drink)

We can freak the night away (smokin' smokin')

Can we freak the night away?

Can we smoke? (Can we smoke?)

Let's drink (Let's drink)

We gone stunt the night away

Blow blunts around the way

[Baby]

Ma, you can shine with a nigga

If you grind with a nigga

Spend time with yo nigga, mama

Whoa, you can ride with a nigga

Get fly with a nigga

Get high with yo nigga, mama

Whoa, we can blaze the haze

Day to day in the hood

That's what's up

Whodie, we can tow the K (?)

Go around the way

Jumping out the brand new truck

Whodie, situation getting sticky

Nigga blowing on his sticky

Sex, weed and a twist-up

Yeah, I'm in the hood with the metal

Cause I'm good with the ghetto

Nigga playing get fucked up

Yeah, we live the gumbo lives

It's high in spite (?)

We struggled, but we came up

Go, you can look in my eyes

See G's for life
Talking money
Bring my name up

[TQ - Chorus]

We can drink the good Cognac (Cognac)
We can do it in my Cadillac (my Cadillac)
Come and smoke with me (come and smoke with me)
See I got that purple haze (purple haze)
And it's time for us to blaze
Can we smoke?

[Mannie Fresh]

Shazzam, damn, a bag of weed
A cup of Cognac and a couple of seeds
Two hot strippers coming out they zippers
We some pimps dude

She said what's next
Your ever did x?
Ex-girlfriend now I'm cashing your checks

We can jump in the coup

He got a lot of weed, you can f- like soup
You can smoke, you can drink
Till your lips turn pink
Till you pass out, ass out
Full of that dank

[Baby]

Whoa, we got that golden leaves rolled
With the weed in the middle
Dro stuck to the window blowing
Whoa, nigga feeling real good
He high as he could
Nigga fucked around and blew up
Whoa, we gotta mix it right
The grey goose fired
The blender with the fruit ice
Yeah, nigga look at my life
And see what's inside
You fuck around and blow up
Whoa, then we blaze and blaze
Round the way
We keep both guns tucked, biatch
We read the play
Around the way
For the people coming full up
Whoa, nigga pump your brakes
You're from the state
Nigga know how we came up
Nigga plead the plate
From state to state
Cooking cakes so niggas blow up
