"I keep true to myself
most of the time
I don't need no one else to bring me down
And I don't
Want to hurt no one
Though I'm still
Where I begun
Where I begun
(Where I begun)
Where will I feel myself again
(Where I begun)
When will I feel more then less like someone
(Where I begun)
Where will I feel myself again
(Where I begun)
When will I feel more then less like someone
Where I've begun
Time seems to take control of me
But I don't mind
This is all I've ever seen
And I don't
Want to hurt no one
Though I'm still
Where I begun
Where I begun
(Where I begun)
Where will I feel myself again
(Where I begun)
When will I feel more then less like someone
(Where I begun)
Where will I feel myself again
(Where I begun)
When will I feel more then less like someone
Where I begun (x6)
Where will I feel myself again
(Where I begun)
When will I feel more then less like someone
(Where I begun)
Where will I feel myself again
(Where I begun)
When will I feel more then less like someone

Where I begun (x4)"
