I'm glad to know you love me
And to know that you care
As long as you are with me
I have no fear

Lord I need you
In the morning
Lord I need you
In the evening
Lord I need you
Late at midnight
Because as long as you are there
Everything will be alright

I can't make it without you
Holding my hand
Without you I'd fall on my face

I can't make it without you
Holding my hand
Without you I'd fall on my face

Amazing Grace
How sweet thou sound
That would saved a wretch like me
I once was lost
But Thank God now I'm found
Was blind but now I see
