When the is falling
And the day is done
I can hear you calling, "Come"
I will come, while you sing over me.

When the night surrounds me
All my dreams undone
I can hear you calling, "Come"
I will come, while you sing over me.

When the night would hide my way...
I will listen until I hear you say,

"How I love you chid!! I love you!
How I love you chid!! I love you!
How I love you!"

"How I love you chid!! I love you!
How I love you chid!! I love you!
How I love you!"

When the life is over...
And the race is run...
I can hear you calling, "Come"
I will come, while you sing over me.

When the is falling
And the day is done
I can hear you calling, "Come"
I will come, while you sing over me.

When the night surrounds me
All my dreams undone
I can hear you calling, "Come"
I will come, while you sing over me.

When the night would hide my way...
I will listen until I hear you say,

"How I love you chid!! I love you!
How I love you chid!! I love you!"

How I love you!"

"How I love you chid!! I love you!
How I love you chid!! I love you!
How I love you!"

Hallelujah! Hallelujah! Hallelujah!
Hallelujah! Hallelujah! Hallelujah!

When the life is over...
And the race is run...
I can hear you calling, "Come"
I will come, while you sing over me.
