Folks, I'd like to sing a song about the American Dream.
About me. About you. The way our American h
Feeling we get in the cockles of our hearts, maybe
below the cockles, maybe in the sub-cockle area
We don't know

I'm just a regular Joe with a regular job
I'm your average white suburbanite slob
I like football and porno and books about war
I've got an average house with a nic hardwood floor
My wife and my job, my kids and my car
My feet on my table, and a cuban cigar

But sometimes that just ain't enough to keep a man like
me interested
(Oh no) No Way (Uh-uh)
No, I've gotta go out and have fun
At someone else's expense
(Oh yeah) Yeah yeah yeah yeah yeah yeah
I drive really slow in the ultrafast lane
While people behind me are going insane

I'm an asshole (He's an asshole, what an asshole)
I'm an asshole (He's an asshole, such an asshole)

I use public toilets and piss on the seat
I walk around in the summertime saying, "How about
this heat?"

I'm an asshole (He's an asshole, what an asshole)
I'm an asshole (He's the world's biggest asshole)

Sometimes I park in handicapped spaces
While handicapped people make handicapped faces

I'm an asshole (He's an asshole, what an asshole)
I'm an asshole (He's a real fucking asshole)

Maybe I shouldn't be singing this song
Ranting and raving and carrying on
Maybe they're right when they tell me I'm wrong
Naaaah

I'm an asshole (He's an asshole, what an asshole)
I'm an asshole (He's the world's biggest asshole)

You know what I'm gonna do? I'm gonna get myself a
1967 Cadillac El Dorado convertible, hot pink wit
Baby seal eyes for headlights, yeah! And I'm gonna
drive around in that baby at 115mph getting one m
McDonald's in the old-fashioned non-biodegradable
styrofoam containers and when I'm done sucking dow
American flag and then I'm gonna toss the styrofoam
container right out the side and there ain't a G
We got the bombs, that's why

Two words. Nuclear fucking weapons, okay?! Russia,
Germany, Romania - they can have all the Democrac
Right through the middle of Tiananmen square and it
won't make a lick of difference because we've go
Soon as we find the cure for cancer we're gonna thaw
out the duke and he's gonna be pretty pissed of
Multiple that by 15-million times, that's how pissed off
the Duke's gonna be. I'm gonna get the Duke
(Hey)

And Lee Marvin

(Hey)

And Sam Pekinpah

(Hey)

And a case of Whiskey and drive down to Texas

(Hey, you know you really are an asshole)

Why don't you just shut-up and sing the song pal

I'm an asshole (He's an asshole, what an asshole)
I'm an asshole (He's the world's biggest asshole)

A-S-S-H-O-L-E Everybody! A-S-S-H-O-L-E

Arf Arf Arf Arf Arf Arf Arf

Fung achng tum a fung tum a fling chum

Oooh Oooh

I'm an asshole and proud of it
