Spoken:

"This is a special moment right now

We'd like to take this time to tell all the kids at home

Send your parents out of the room, this is a kids song"

::guitar starts::

Sung:

Life's gonna suck when you grow up

When you grow up

When you grow up

Life's gonna suck when you grow up

It sucks pretty bad right now

Spoken:

Hey! If you know the words, sing-a-long!

Sung:

Your gonna have to mow the lawn

Do the dishes

Make your bed

Your gonna have to go to school until your 17

Spoken:

And it's gonna seem about 3 times as long as that

Sung:

You might have to go to war

Shoot a gun

Kill a nun

You might have to go to war when you get out of school

Spoken:

Hey Cheer up kids! It gets a lot worse

Sung:

Your gonna have to deal with Stress

Deal with Stress

Deal with Stress

Your gonna be a giant mess when you get back from
the war

Santa Claus does not exist
And there's no Easter Bunny
You'll find out when you grow up that Big Bird isn't
funny
funny
funny
:::sarcastically laughing:::

Life's gonna suck when you grow up
When you grow up
When you grow up
Life's gonna suck when you grow up
It sucks pretty bad right now

Your gonna end up smoking crack
On your back
Face the fact
Your gonna end up hooked on smack and then you're
gonna die!

And then you're gonna Die!!!

:::applause:::

Something for the kids!
Well, I think I smell a law-suit in that one
What do you think?
