This is a special moment right now  
We'd like to take this time to tell all the kids at home  
Send your parents out of the room  
This is a kid's song

Life's gonna suck when you grow up  
When you grow up, when you grow up  
Life's gonna suck when you grow up  
It sucks pretty bad right now

Hey, if you know the words, sing along

You're gonna have to mow the lawn  
Do the dishes, make your bed  
You're gonna have to go to school  
Until you're seventeen

It's gonna seem about three times as long as that

You might have to go to war  
Shoot a gun, kill a nun  
You might have to go to war  
When you get outta school

Hey, cheer up kids, it gets a lot worse

You're gonna have to deal with stress  
Deal with stress, deal with stress  
You're gonna be a giant mess  
When you get back from the war

Santa Clause does not exist  
And there is no Easter Bunny  
You'll find out when you grow up  
That Big Bird isn't funny  
(Funny, funny, ya, ha, ha, ha, ha, ha)

Life's gonna suck when you grow up  
When you grow up, when you grow up  
Life's gonna suck when you grow up  
It sucks pretty bad right now

You're gonna wind up smoking crack  
On your back, face the fact  
You're gonna wind up hooked on smack  
And then you're gonna die

And then you're gonna die, hey, hey
