Old Saint Nick's got Bourbon breath  
It's so cold you could catch your death  
A cop sold me some crystal meth

It's a merry fuckin' Christmas

Everything's so Criss-muss-ee  
The streets are twinkling with frozen pee  
My priest just sat on Santa's knee  
It's a merry fuckin' Christmas

All the kids go to bed each night  
To dream what Santa brings 'em  
Unless they're Jewish or Muslim  
Or some other gyp religion

Crappy toys flyin' off the shelves  
Midgets dressed up to look like elves  
Spread good cheer or burn in Hell  
It's a merry fuckin' Christmas

Cracklin' fires to keep me warm  
And my collection of Asian porn  
Cradle my bells and work my horn  
It's a keep-on-truckin'  
Last-year-suckin'  
Midget-chuckin'  
Slap-the-puckin'  
How-much-wood-could-a-woodchuck-chuckin'  
Merrrry fuuuuckin' Christmaaaaaas
