Knew of a man who gave up everything
Just for the woman of his dreams
Used to swear iÂ'd never ever turn
Into that kind of guy
Well, now i take it all back
But then girl i donÂ't mind
I donÂ't mind

[Chorus]
YouÂ've entered my world and taken control
And now, you are all that i know
YouÂ're all that i need
My heart and my soul
My love, you are all that i know

Lived on my own, it wasnÂ't all that bad
Day after day, shadow was all i had
Used to be, iÂ'd never even imagine
That i have it all
Now you come into life
And i know, yes i know
For sure

[repeat Chorus]

You are all that i know

Used to be, iÂ'd never even imagine
That i have it all
Now you come into life
And i know, yes i know
For sure

[repeat Chorus]

All that i know
