Farewell my friend
My beautiful friend
Farewell

You take the high road
And I'll take the low road
And we'll meet again
Farewell my friend

I love you
In a funny way

You take the high road
I'll take the low road
And we will meet again
Farewell my friend
Oh I want to see you again
Oh farewell
Farewell
Oh I want to see you again
Farewell
Oh I'm on the mountain again
Oh farewell
Oh I want to see you again
Oh my friend
Oh that's when I'll see you again
Farewell
Oh I want to see you again
