If every word I said
Could make you laugh
I'd talk forever
(Together my love)

I asked the sky just what we had
Ooh. . .it's shown forever
(Together my love)

If the song I sing to you
Could fill your heart with joy
I'd sing forever
(Together my love)
Forever
Forever
I've been so happy loving you
(Together with you)

Let the love I have for you
Live in your heart and be forever
(Together my love)
Forever
Forever
I've been so happy loving you

Mmmm
If every word i said
could make you laugh
I'd talk forever

Nah nah nah nah
nah nah nah nah
nah nah nah nah
ooh ooh ooh ha

Forever
Forever
I'll be so happy loving you
