Love the way you move me
Love the way you groove me
I believe in rock and roll

You're standin' in the door girl
Holdin' down the floor girl
Come on and rock and roll

So what's wrong with you girl
What's wrong with being crazy

Can't live with you
So I think I'll live without you
Play my rock and roll

Your words drip with honey
While you spend my money
It's funny to watch you girl
So what's wrong with you girl

I'm gone I'm gone
I'm gone I'm gone

It ain't very funny
How you spend all my money

I'm gone I'm gone
I'm gone I'm gone
Do what you want to but baby don't you do it on me

Your mama thinks I'm crazy
Your papa says I'm lazy
'Cause I play my rock and roll

My head's gettin' hazy
My knees are gettin' shaky

From playin' my rock and roll

I'm gone I'm gone
Saved by rock and roll

I'm gone I'm gone
I'm gone I'm gone

It ain't very funny
How you spend all my money

I'm gone I'm gone
I'm gone I'm gone

Do what you want to but baby don't you do it on me

I'm gone I'm gone
I'm gone I'm gone
