Verse 1 (Corey)-

Now you been watching me and I been watching you  
So I decided to just come and talk to you  
Aint tryin' to run no game just wanna know your name  
And by the smile that's on your face, I see you feel the same  
So can I talk to you?  
And maybe after school I can walk you home  
If that's cool with you, and then later on  
I call you on the phone, and then I make you mine  
By singing you this little song

Chorus-

Hush lil' lady don't you cry  
I can show you how to have a good time  
Me and you playing after school  
Out on the weekend  
After skating we can be cool (x2)
