I'd never planned to fall in love
I'd sold it round the stars
But she had that look in her eye
And I had a change of heart

I tried my best to say goodbye
But every time I'd start
She'd get that look in her eye
And I'd have a change of heart

I knew that she was changing me
But I never realized
That I was leaning on her
Depending on her
Until to my surprise

One day she found somebody new
And tore my world apart
Now I say a prayer every night
That she'll have a change of heart

Oh, I knew that she was changing me
But I never realized
That I was leaning on her
Depending on her
Until to my surprise

One day she found somebody new
And tore my world apart
Now I say a prayer every night
That she'll have a change of heart
