Walk in hand in hand with me
Through all eternity
Have faith, believe in me
Give me your hand

Love is a symphony,
A perfect harmony
When lovers such as we
Walk in hand in hand

Be not afraid
For I am with you all the while
So lift your head up high
And look toward the sky

Walk in hand in hand with me
God is our destiny
No greater love could be
Walk in hand in hand
Walk with me

So lift your head up high
And look toward the sky

Walk in hand in hand with me
God is our destiny
No greater love could be
Walk in hand in hand through all eternity

Walk hand in hand
Walk with me
