[Chorus: Dave Hollister] - 2X

That's when I was wylin out
I couldn't care less about
Someone gettin hurt, I did my share of dirt

[Perion]

I went from ashy elbows, to loungin on Melrose
Stayin in the best suites for weeks
In (?) sheets, alone while you cryin at home
By the phone, hopin I'll call, everyday that I'm gone
(alright)
Need connections, to make ends meet ma
In both directions, just to stay on my feet (huh)
Thinkin bout me when I got mouths to feed
A spouse and two seeds (yeah) they need me to eat
(that's right)
Take out time to check myself
Thinkin it wasn't really me, silly me
No wonder you can't feel me, thinkin while I'm out I'm
cheatin
Wylin out and freakin - blacks, whites and peurto ricans
While I'm hardly sleepin (me and the kids hardly eatin)
Seekin God for help cuz we hardly speakin (that's right)
If it took God to bring me home (uh-huh) bring Jerome
to see that I was wrong, now David sing the song (uh-
huh)

[Chorus] - 2X

[Hahz the Rippa]

Yo, aiyyo I sold drugs, sold coke, weed and dope
(whattchu need?)
Sold shirts and socks, I even sold soap
Got too small for me, I sold my old coat (uh)
Walked in jewelry stores, and stole gold ropes (yes I
did)
Look around, it's no cops, I wanna shoplift
but who gon' give me a lift to go shop? (watch out!)
Get my rhyme on, clothes I tried on
and I walked out with, like the ones I got on (yeah)
Commitin crimes, fiends; I was givin 'em dimes

Under 25 and was still livin with moms
I just love the dough, I gotta get plenty (yo)
Used to trick with strippers with counterfeit twenties
(whassup)
The streets that kept me hungry and left me bummy
I sold candy for my school and kept the money (alright)
In stolen cars I'm gettin chased -- I had to chill cuz
(Dave: I was bout to catch a case!)

[Chorus] - 2X

[Roy Jones Jr.]

Yo

I used to go to this chick house, and go to that chick
house (come on)
Call another chick over, kick the other chick out
I wasn't carin about, how none of 'em felt
They wanted to hang around me, like one of my belts
(alright)
But I kept it movin, city to city, kitty to kitty
Throughout the states I was fifty for fifty
Get it with force, she fine; she could get it of course
(alright)
Niggaz are warned, she married; she could get a
divorce
Stayed up the rest of the night, right after the fight
Went from room to room, I was boom boom boom
(room to room)
Fulfill ya fantasies with Roy Jones Jr. (what)
Girlfriend or wife, ya better hold on to her (uh)
A man's gotta do what he's got to do
She's in my hotel room - why she not with you? (alright)
It's like three in the mornin, she just stoppin through
As she walks in, her trenchcoat was droppin too
Light-skinned, long hair, yeah I popped her too
Yo I'll send her to ya room soon as Hahz get through
That's how we got down, I done stopped now
My mayne Peri' got a brother on lock down (on lock
down!)

[Chorus] - 4X (w/ adlibs from Dave Hollister)
