I've been waiting for someone to notice
That I'm hurting
Who will pray for me?
It's so lonely in the silence
Can you hear me?
If I'd ask you, would you pray for me?
Who'll pray for me?
Who'll lift me up and set me free?
Who'll stand by me?
Who'll pray for me?
Well, I'm walking
Yet there's no one standing by me
The changing in this world could use some change
So desperate
If they find out
They will fear me
If they judge me
Then who'll pray me?
Who'll pray for me?
Who'll lift me up and set me free?
Who'll stand by me?
Who'll pray for me?
Who'll face the cross upon their knees?
Who'll stand by me?
Who'll pray for me?

A real friend
Is the one thing
That I'm needing
I need someone who already understands
Still I'm searching
For the answer
And forgiveness
If you're out there
Would you pray for me?
Ooh, someone if you're out there
Would you pray for me?
Who'll pray for me?
Who'll lift me up and set me free?
Who'll stand by me?
Who'll pray for me?
Who'll face the cross upon their knees?

Who'll stand by me?
Who'll pray for me?
Who'll pray for me?
Prayin' for me
Pray for me
