I'm standing on the bridge  
I'm waiting in the dark  
I thought that you'd be here by now

There's nothing but the rain  
No footsteps on the ground  
I'm listening, but there's no sound

Isn't anyone trying to find me?  
Won't somebody come take me home  
It's a damn cold night  
Trying to figure out this life  
Won't you, take me by the hand, take me somewhere  
new  
I don't know who you are but I, I'm with you  
I'm with you

I'm looking for a place  
I'm searching for a face  
Is anybody here I know  
Cause nothing's going right and  
Everythings a mess  
And no one likes to be alone

Isn't anyone trying to find me?  
Won't somebody come take me home  
It's a damn cold night  
Trying to figure out this life  
Won't you, take me by the hand, take me somewhere  
new  
I don't know who you are but I, I'm with you  
I'm with you

Oh, why is everything so confusing  
Maybe I'm just out of my mind  
Yeah Yeah Yeah  
Yeah Yeah  
Yeah Yeah  
Yeah Yeah  
Yeah

It's a damn cold night

Trying to figure out this life  
Won't you, take me by the hand, take me somewhere  
new  
I don't know who you are but I, I'm with you  
I'm with you

Take me by the hand, take me somewhere new  
I don't know who you are but I, I'm with you

I'm with you

Take me by the hand, take me somewhere new  
I don't know who you are but I, I'm with you

I'm with you  
I'm with you
