A mind is a terrible thing to waste  
You face disposal running your mouth with no skill  
(Watch ya head!)  
Your dome piece to ya ass crackin  
So brother bring it live or it'll be your last yappin

A mind is a terrible thing to waste  
You face disposal running your mouth with no skill  
(Watch ya head!)  
Your dome piece to ya ass crackin  
Mess around I got to send that ass packin

check it out:

Well it's the glue sniffin keep it cool whiffin thought  
strangler  
Embarrassin niggaz like when your mama bought  
wrangler jeans 'n  
I fiends in the funk ways you know me  
Nobody say, "cut 'em all the same just like a Flowbie"  
Now blow me down south my gift pursued stupid mad  
heads bite  
I'm feelin like the fifth of food groups, it's too much  
You clutch mics, I rip with arthritis grip  
You game your claim to fame so mo' Midas shit  
Golden cash and big bold and brash and +pig did  
that+  
Types and style moldin fashion  
Well I'ma break ya down like grief  
Mic chief in charge 'n get shrunk and turn self enlargin  
Thus be born before you comes troublin  
Cause I'll be all up in that bitch ass like jum smugglin  
Jugglin flows mad trying to keep the funk live-er  
So just recognize and give me more space than drunk  
drivers

A mind is a terrible thing to waste  
You face disposal running your mouth with no skill  
(Watch ya head!)  
Your dome piece to ya ass crackin  
So brother bring it live or it'll be your last yappin

A mind is a terrible thing to waste  
You face disposal running your mouth with no skill  
(Watch ya head!)  
Your dome piece to ya ass crackin  
Mess around I got to send that ass packin
