If you want it
You can have it
That's what you said
But I don't want the things
That you leave behind

Take the pictures
Take the windows and the walls
But, baby, won't you leave me
My peace of mind

Oh, such a waste of time
Oh, such a waste
I still want you, baby

(CHORUS)
Heaven help me
(Heaven help me)
Talk to strangers
(Talk to strangers)
Heaven help me over you
(Help me over you)
I can't seem to take these changes
Everything reminds my heart of you

Thought the first time was
The last time of being apart
Now I find I'm having
To search again

It'll happen, it's gotta happen
Come together
I just wish somebody
Would tell me when

Oh, such a waste of time
Oh, such a waste
I still want you, baby

(CHORUS)

Heaven help, Heaven help

Heaven, Heaven
Heaven help me

Heaven help, Heaven help
Heaven, Heaven
Heaven help me

(CHORUS) 2X

Heaven help, Heaven help
Heaven, Heaven
Heaven help me

Heaven help, Heaven help
Heaven, Heaven
Heaven help me...

You're someone else's lady
So sad without you, darling
The gods of love
Can't help me now

Heaven help, Heaven help
Heaven, Heaven
Heaven help me...
