Talking shit is so easy to do,  
I guess I'm rubber you're a fool,  
Telling lies to be a part of the drama,  
I guess you're not so cool, now not so cool are ya?

I know who my friends are,  
At least, I know so far,  
Your twisted rumors can't change anything,  
Nothing can come between me and my friends.  
You're the last one left, The class bell is ringing,  
We can't hear you cause we're too busy singing.

I know who my friends are, At least, I know so far.
