I try to talk to you
But the words all come out wrong
What would I say to you
That's why I sing my song
There's no connection
Just feelings of regret
That I didn't talk to...

1-2-3-4
I try to talk to you
But the words all come out wrong
What would I say to you
That's why I sing my song
There's no connection
Just feelings of regret
That I didn't talk to ,
That girl in the green jacket!

I try to talk to you
But the words all come out wrong
What would I say to you
That's why I sing my song
There's no connection
Just feelings of regret
That I didn't talk to you,
The girl in the green jacket!

Try not to stare at you
But I just couldn't help
Just one look at you
The cheese melted off my scalp
Well she was taken,
much to my regret
Oh well, hell, Fuck it all!
The girl in the green jacket,
Green jacket, green jacket.
The girl in the green jacket,
Green jacket, green jacket.
The girl in the green jacket.

Theeee giirrrlll....

liin the greeeeeeeen.....
Jaaaaaacketttttt.....,

Theeee giirlll....(yeah)
liin the greeeeeeeen.....
The green Jacket!
Green jacket,
The girl in the green jacket,
Green jacket, green jacket,
The girl in the green jacket.
