I should have nailed you down  
Now you're on that cloud  
If we're gonna do this  
We gotta do it now  
While we're young  
There you go again  
On that horse of yours  
If we're gonna do this  
We gotta do it now  
While we're young  
You should have stood me up  
Now I'm draggin' you down  
If we're gonna do this  
We gotta do it now  
While we're young  
I've lost my head  
Prefer foolishness instead  
My words just rise  
Leaving all good sense behind  
Leaving all good sense behind  
Leaving all good sense behind  
What are you tryin' to prove?  
What are you tryin' to prove?  
Who are you tryin' to prove it to? (x5)
