"A Song For Europe"

Here
As I sit
At this empty cafe
Thinking of you

I remember
All those moments
Lost in wonder
That we'll never
Find again

Though the world
Is my oyster
It's only a shell
Full of memories

Here by the Seine
Notre-Dame casts
A long lonely shadow

Now only sorrow
No tomorrow
There's no today for us

Nothing is there
For us to share
But yesterday

This is my song
This is my song
This is my song

These cities may change
But there always remains
My obsession

Through silken waters
My gondola glides
And the bridge
it sighs

I remember
All those moments
Lost in wonder
That we'll never
Find again

There's no more time for us
Nothing is there
For us to share
But yesterdays

All those moments
Lost in wonder
That we'll never
Find again

All those moments
Lost in wonder
That we'll never
Find again

All those moments
Lost in wonder
That we'll never
Find again
