She remembered all the shadows  
And the doubts  
The same film  
Vivid pictures like a wall  
That's standing empty  
And the night so still  
Such a small affair, a relapse  
Someone closing like a night club door  
Here again and when you speak  
I watch you move away and seem so sure  
She is hoping to forget  
And the moment almost slips away  
When the colours move apart  
And I wonder if you want to stay  
And I need to change you  
Like the words I'm reading  
Don't you understand  
This the warning  
And the message I remember  
As you touch my hand
