People Are People

People Are People 3: 45

People are people

So why should it be

You and I should get along so awfully

People are people

So why should it be

You and I should get along so awfully

So we're different colours

And we're different creeds

And different people

have different needs

It's obvious you hate me

Though I've done nothing wrong

I've never even met you

So what could I have done

I can't understand

What makes a man

Hate another man

Help me understand

People are people

So why should it be

You and I should get along so awfully

People are people

So why should it be

You and I should get along so awfully

Help me understand

Help me understand

Now you're punching

And you're kicking

and you're shouting at me

And I'm relying on your common decency

So far it hasn't surfaced

But I'm sure it exists

It just takes a while to travel

from your head to your fist (head to your fists)

I can't understand what makes a man

hate another man

Help me understand

People are people
so why should it be
You and I should get along so awfully
People are people
so why should it be
You and I should get along so awfully

I can't understand
What makes a man
hate another man
Help me understand
I can't understand
What makes a man
Hate another man
Help me understand
I can't understand
What makes a man
Hate another man
I can't understand (people are people)
What makes a man (why should it be)
Hate another man
Help me understand...
