My little girl
Drive anywhere
Do what you want
I don't care
Tonight
I'm in the hands of fate
I hand myself
Over on a plate

Oh little girl
There are times when I feel
I'd rather not be
The one behind the wheel
Come
Pull my strings
Watch me move
I do anything

Well if you ever plan to motor west
Travel my way, take a highway, that's the best
Get your kicks on Route 66

Well it winds from Chicago to L.A.
More than two thousand miles all the way
Get your kicks on Route 66

Sweet little girl
I prefer
You behind the wheel
And me the passenger
Drive
I'm yours to keep
Do what you want
I'm going cheap
Tonight

You're behind the wheel
You're behind the wheel

Well it goes to St. Louie down to Missouri
Oklahoma City looks - oh so pretty

You'll see Amarillo,
Gallup- New Mexico
Flagstaff- Arizona, don't forget Wynona.
Kingman, Bosco, San Bernadino
If you get hip to this kind of tip
then you'll take that California trip
Get your kicks on route 66
Get your kicks on route 66
Get your kicks on route 66

You're behind the wheel You're behind the wheel You're
behind the wheel
