Black celebration  
(Black)  
Black celebration  
(Black)  
Black

Let's have a black celebration  
Black celebration  
Tonight

To celebrate the fact  
That we've seen the back  
Of another black  
Day

I look to you  
How you carry on  
When all hope is gone  
Can't you see?

Your optimistic eyes  
Seem like paradise  
To someone like  
Me

I want to take you in my arms  
Forgetting all I couldn't do today

Black celebration  
Black celebration  
Tonight

To celebrate the fact  
That we've seen the back  
Of another black  
Day

I look to you  
And your strong belief  
Me, I want relief  
Tonight

Consolation  
I want so much  
Want to feel your touch  
Tonight

Take me in your arms  
Forgetting all you couldn't do today

Black celebration  
Black celebration  
Tonight

Black celebration  
(I'll drink to that)  
Black celebration  
Tonight

Black celebration  
(I'll drink to that)  
Black celebration  
Tonight

Black celebration
