Put it on  
And don't say a word  
Put it on  
The one that I prefer

Put it on  
And stand before my eyes  
Put it on  
Please don't question why

Can you believe  
Something so simple  
Something so trivial  
Makes me a happy man

Can't you understand?  
Say you believe  
Just how easy  
It is to please me

Because when you learn  
You'll know what makes the world turn  
Put it on  
I can feel so much  
Put it on  
I don't need to touch

Put it on  
Here before my eyes  
Put it on  
Because you realize

And you believe  
Something so worthless  
Serves a purpose  
It makes me a happy man

Can't you understand  
Say you believe  
Just how easy  
It is to please me

Because when you learn  
You'll know what makes the world turn
