The things you do,  
Aren't good for my health  
The moves you make,  
You make for yourself  
???  
???  
Although they do,  
They're the one's that I would choose

I wouldn't want it any other way  
You wouldn't let me any way

(Chorus)  
Dangerous,  
The way you lead me onto more  
Dangerous,  
That's what I want you for  
Dangerous,  
When I am in you arms  
Dangerous,  
No, I will come to harm

The lies you tell,  
Aren't meant to deceive  
They are not there, for me to believe  
I hurt, your vicious words  
You know by now  
It takes alot to see me hurt

I couldn't take it any other way  
But there is a price that I must pay

(Chorus)  
Dangerous (4x) (Chorus 2x)
