The things you do, aren't good for my health  
The moves you make, you make for yourself  
The means you use, aren't meant to confuse  
Although they do, they're the one's that I would choose

I wouldn't want it any other way  
You wouldn't let me any way

Dangerous, the way you leave me wanting more  
Dangerous, that's what I want you for  
Dangerous, when I am in your arms  
Dangerous, know I won't come to harm

The lies you tell, aren't meant to deceive  
They're not there, for me to believe  
I've heard, your vicious words  
You know by now, it takes a lot to see me hurt

I couldn't take it any other way  
But there's a price I have to pay

Dangerous, the way you leave me wanting more  
Dangerous, that's what I want you for  
Dangerous, when I am in your arms  
Dangerous, know I won't come to harm

Dangerous  
Dangerous  
Dangerous

Dangerous, when I am in your arms  
Know I won't come to harm  
Dangerous, the way you leave me wanting more  
That's what I want you for

Dangerous, when I am in your arms  
Dangerous, know I won't come to harm  
Dangerous, the way you leave me wanting more  
Dangerous, that's what I want you for

Dangerous, when I am in your arms

Dangerous, know I won't come to harm
