If you've been hiding from love  
If you've been hiding from love  
I can understand where you're coming from  
I can understand where you're coming from

If you've suffered enough  
If you've suffered enough  
I can understand what you're thinking of  
I can see the pain that you're frightened of

And I'm only here  
To bring you free love  
Let's make it clear  
That this is free love  
No hidden catch  
No strings attached  
Just free love  
No hidden catch  
No strings attached  
Just free love

I've been running like you  
I've been running like you  
Now you understand why I'm running scared  
Now you understand why I'm running scared

I've been searching for truth  
I've been searching for truth  
And I haven't been getting anywhere  
No I haven't been getting anywhere

And I'm only here  
To bring you free love
