If you've been hidin' from love
If you've been hidin' from love
I can understand where you're comin' from
I can understand where you're comin' from

If you've suffered enough
If you've suffered enough
I can understand what you're thinkin' of
I can see the pain that you're frightened of

And I'm only here to bring you free love
Let's make it clear that this is free love
No hidden catch, no strings attached
It's just free love
No hidden catch, no strings attached
It's just free love

I've been runnin' like you
I've been runnin' like you
Now you understand why I'm runnin' scared
Now you understand why I'm runnin' scared

I've been searchin' for truth
I've been searchin' for truth
And I haven't been gettin' anywhere
No I haven't been gettin' anywhere

And I'm only here to bring you free love
Let's make it clear that this is free love
No hidden catch, no strings attached
Just free love
No hidden catch, no strings attached
Just free love

Hey girl
You've got to take this moment
Then let it slip away
Let go of complicated feelings
Then there's no price to pay

We've been runnin' from love
We've been runnin' from love

And we don't know what we're doin' here
No we don't know what we're doin' here

We're only here, sharing our free love
Let's make it clear that this is free love
No hidden catch, no strings attached
It's just free love
No hidden catch, no strings attached
It's just free love

No hidden catch, no strings attached
It's just free love
No hidden catch, no strings attached
It's just free love
