There's more besides the joyrides  
Little house in the countryside  
Understand, learn to demand  
Compromise, and sometimes lie

Get the balance right  
Get the balance right

Be responsible, respectable  
Stable but gullible  
Concerned and caring  
Help the helpless  
But always remain  
Ultimately selfish

Get the balance right  
Get the balance right

You think you've got a hold of it all  
You haven't got a hold at all  
When you reach the top,  
Get ready to drop  
Prepare yourself for the fall  
(The fall)  
It's almost predictable  
(Almost)

Don't tend this way  
Don't tend that way  
Straight down the middle until next Thursday  
First to the left  
Back to the right  
Twist and turn until you got it right  
Get the balance  
right (4x)
