I'm the ghost in your house  
Calling your name  
My memory lingers  
You'll never be the same  
I'm the hole in your heart  
I'm the stain in your bed  
The phantom in your fingers  
The voices in your head

One touch is all it took  
To draw you in  
To leave you hooked  
One kiss, you paid the price  
You had a taste  
Of paradise

Now you're running in circles  
Chasing imaginary footsteps  
Reaching for shadows  
In the bed where I once slept

I'm the ghost in your house

Calling your name  
My memory lingers  
You'll never be the same  
I'm the hole in your heart  
I'm the stain in your bed  
The phantom in your fingers  
The voices in your head

One thought is all it takes  
You lose control  
You make mistakes  
This pain will never leave  
Until I die  
You'll always grieve

Now you're falling to pieces  
Seeing my face wherever you go  
Talking to strangers  
From a place they'll never know
