I can taste more than feel
This burning inside is so real
I can almost lay my hands upon
The warm glow that lingers on

Moved, lifted higher
Moved, my soul's on fire
Moved, by a higher love

I surrender all control
To the desire that consumes me whole

And leads me by the hand to infinity
That lies in wait at the heart of me

Moved, lifted higher
Moved, my soul's on fire
Moved, by a higher love

Heaven bound on the wings of love
There's so much that you can rise above

Moved, lifted higher
Moved, moved, by a higher love
By a higher love

I surrender heart and soul
Sacrificed to a higher goal

Moved, moved by a higher love
By a higher love
